

-November News-

Welcome to November. We would like to wish the following children a Happy Birthday...Alicia, Jordan Pope, and Amanda.

Important Dates-

- Give Parents a Break will be on Saturday November 5th
- Center will be closed on Friday November 11th for Veteran's Day and Thursday November 24th for Thanksgiving.

Special Events-

- We would like to invite all the parents to attend our annual Harvest Day Luncheon on Thursday 17th, please sign up in the room if you will be eating with us that day. Everyone welcome!!!
- Fall Class photos will be taken on Nov. 9, envelopes will be going come soon.

Young Infants-

We have been working hard with the infants to move around and to try new foods. We welcome parents to come in and read to the infants, they love to see the parents and we enjoy the time to visit with the parents. So come in and take a few minutes to read to the children.

Older Infants-

Fall is here and so is the cold weather. Please ensure that your child has an appropriate change of clothing in his or her cubby just in case we need to change their clothes. Extra socks are always handy!! Also, please remember a jacket or coat and a hat for cool days outside. We will still be going on our playground and on buggy rides as long as the weather permits.

You may have noticed the new artwork around the room. K-12 gallery in Dayton has been wonderful enough to send some of their artist to help children learn about art, So far, we have looked at art forms like gluing tissue paper, paint splatter and stamping. It is lots of fun and very educational.

Pre-toddlers-

We have moved to our new room and the children really have enjoyed the new area. We have a few things to work on but we know the children will enjoy the new room and our friends in the toddler room get to visit us at night. We will be working on self-help skills this month. We encourage children to help with cleaning their plates, pulling up their pants and little things that they can do for themselves. They can learn better if they have hands on experience.

Toddlers-

Toddlers on learning new things everyday, they really like to be helpers. We have been working on them helping their friends to clean up and do things together. In November we will be working on using our words.

Preschool-

The cold weather is growing closer and as a reminder we do play outside so please make sure that your child is dressed appropriately and has a jacket. We ask that you look at your child's shoes also. Please be sure that the laces are not too long and that the actual shoe fits their foot. This is for the safety of your child.

-Please make sure that you are signing your child in with BOTH their First AND Last name on both the 1930's and the boards up front.

-We have been having a problem with children still bringing in toys on days other than Friday's. We ask that you not allow your child to bring something into the room that they will want to keep. If we find a toy we will be taking it to place in the teacher area until you arrive. Please do not tell your child to just put it in their cubby.

-We have been noticing a lot of food (snacks) in backpacks. We can not have any outside food or drink in the room at all. We will be dumping anything that is found.

Field Trips-

This month we will be going to the Base Library and Boonshoft. All parents are always invited to attend.

New this month we are going to be trying a few things out for curriculum. We will be working on the letters A B & C. We will be working on numbers 1, 2, 3, and 4, the color brown and the circle. We will also be sending homework home once a week that is due to be turned in on Friday's. We will be keeping this in their files.

Have a great NOVEMBER.....
